Speaker: Dr Graham Tebb

Graham Tebb joined the “Research Service and Innovation” Division of the MUI in May and since then has continued to offer workshops to students and staff of the University, as well as advising scientists and clinicians on how to apply for third-party funding. He was educated at Oxford University and the EMBL in Heidelberg before working as a post-doc at the IMP in Vienna. He has worked as an Editor at *Nature* and at the Austrian Science Fund and is also employed in the Office for Research Promotion and Innovation at the Vetmeduni, Vienna. He holds regular courses on scientific writing, scientific presentations and applying for third-party funding.
