Call Marie Skłodowska-Curie Actions (MSCA) Postdoctoral Fellowships 2023

With a budget of €260.5 million, these grants will give researchers holding a PhD a chance to gain new skills and experience whilst carrying out their own research project abroad. The call will also allow organisations all over the world to attract talented researchers, including top universities, research centres, public and private organisations and medium-sized enterprises.

The Postdoctoral Fellowships consist of two strands:

- European Postdoctoral Fellowships are open to researchers of any nationality to carry out a personalised project in the EU or countries associated to Horizon Europe.
- Global Postdoctoral Fellowships are open to European nationals or long-term residents who wish to work with organisations outside the countries mentioned above before returning to Europe.

Deadline: 13 September 2023
