ÖFG – International Communication

The research funding programme “International Communication” of the Austrian Research Association complements the opportunities provided by universities and project funding institutions across Austria with regard to travel funds for trips abroad and for inviting researchers to Austria.

Funding is primarily intended for young scholars whose previous achievements are of high quality and who are unable to receive sufficient funding from other organisations for formal reasons or due to exhaustion of funds.

Deadline: 10 November 2024

Further information: <https://www.oefg.at/en/funding-programmes/international-communication/>

Travelling Fellowships

The Company of Biologists' journals – Development, Journal of Cell Science, Journal of Experimental Biology and Disease Models & Mechanisms – offers Travelling Fellowships to graduate students and post-doctoral researchers wishing to make collaborative visits to other laboratories. These are designed to offset the cost of travel/accommodation and other related expenses. There is no restriction on nationality.

Applicants should be working in the field of the journal to which they apply and plan to visit another laboratory.

Further information: <https://www.biologists.com/grants/travelling-fellowships/>

Deadline: 25 October 2024

IMPORTANT

Work programme Cluster HEALTH - first draft - inputs possible
