COST Actions

New COST Actions in the health sector - nomination to the Management Committee possible!

For a number of COST Actions there is the possibility of being nominated to the Management Committee of the Actions via the FFG eCall. Take the opportunity to actively participate in multidisciplinary networks, e.g. in the fields of various cancer diseases, osteoarthritis, genome editing, dementia research, Parkinson's disease, antibiotic resistance or chronic inflammation without the need to apply for a new COST Action.

A comprehensive list of all open COST actions is presented at the FFG COST homepage https://www.ffg.at/europa/cost/bereiche-at-offen/medical_health

Open Calls

ERC Calls open for submission

The 2022 Call for ERC Starting grant projects is actually open for submission. Young researchers - between 2 and 7 years after obtaining their PhD degree can apply for grants worth up to 1,5 M€ for 5 years. The deadline of this call will be 25 October 2022, 17:00 Brussels time.

Additionally the call for ERC Synergy grants also opened in July. For this type of projects, small groups of two to four principal investigators jointly apply for a project with a maximum duration of up to 6 years. The project budget can be up to 10 M€.

The deadline for this call is 08 November 2022, 17:00 Brussels time
