Reminder

SAVE THE DATE: Ready for your European research network? COST Information and Networking Day in Innsbruck, March 19, 2020

COST (European Cooperation in Science & Technology) is a European funding programme to support the setup of research networks in Europe and beyond. It provides funds for organising workshops, meetings, training schools, short scientific exchanges or other networking activities in a wide range of scientific topics.

A **COST Information and Networking Day** will – for the first time – be held in Innsbruck at the **Medical University Innsbruck, Fritz-Pregl-Str. 3, 8th floor** on **March 19, 2020**. Starting at 9.30 am, we will inform you about what the COST programme offers, what its main goals are and how you can participate. The event addresses experts from all RTI fields, academia and non-academia, newcomers and more experienced people alike.

The second part of the Information & Networking day will focus on the exchange of experiences and good practices of COST Action participants located in Tyrol.

The event is a cooperation of both Innsbruck Universities with the Austrian Research Promotion Agency (FFG). It will finish with a joint networking lunch at 1 pm.

Mark the date in your calendar! More information coming up soon!
