doc.funds Programme – 3rd Call for applications

doc.funds is a programme to promote outstanding doctoral programmes and to consolidate existing education and training structures for highly qualified junior researchers. Applicants can request additional funding for any structured doctoral programme that has been in existence for at least two years. The university (or universities) offering the programme must be clearly committed to providing basic funding, that is, providing all of the necessary infrastructure as well as funds for the on-going operation and institutional anchoring of the programme.

Deadline: 06 May 2019
