Events

Marie Skłodowska Curie: Proposal writing for Individual Fellowships (IF)

When: 2nd May 2017 from 8:30 am - 5:30 pm and 3rd May 2017 from 9 am - 1 pm

Location: FFG, Sensengasse 1, 1090 Vienna

The training is designed for researchers and hosts planning to submit a proposal for the current IF call opening on 11th April 2017. Non-applicants (research support units or similar) are welcome to participate as well, provided there are still places available.

Please register until 2nd April 2017 under this link: https://www.ffg.at/europa/veranstaltungen/ffg-akademie_2017-05-02

Medical University Innsbruck would like to encourage its researchers to act as host for such projects and apply together with promising researchers at the MSCA scheme for individual fellowships. That's why we offer a travel grant to the upcoming training event at FFG. This grant can only be applied by researchers employed at MUI acting as host, not by the future fellows themselves. The condition for this grant is a valid project proposal at one of the upcoming H2020 MSCA IF calls.

Funding of Open Access Publications at the MUI

<https://www.i-med.ac.at/forschung/openaccess.html>

The Medical University of Innsbruck financially supports its researchers when publishing in Open Access Journals through a newly established publication fund.

Supported are publication costs (Article Processing Charges - APCs) up to a maximum of 2,000 Euros for open access publications under the following conditions:

- The article appears in a "pure" Open Access journal (listed in [DOAJ](#)) and is freely accessible to the public via the Internet.
- The journal must be ranked in the [Journal Citation Reports](#) in the relevant discipline in the upper 25%.
- Only new applications will be funded.
- The publication must be accepted by the publisher at the time of the application.
- Submitting "or" corresponding author "is a member of the MUI and responsible for the payment of the publication costs.
- Affiliation address is Medizinische Universität Innsbruck or Medical University Innsbruck.
- The journal must be listed in the [DOAJ](#) and meet the quality criteria defined there or the Open Access Journal has a quality assurance procedure (peer review).
- The article must appear under a [Creative Commons license](#).

No funding,

- if publication costs are taken over from other sponsors such as FWF, EU, etc.

- for buying free hybrid open access publications in subscription journals.

Applications can be submitted to the Service Center Research. If the invoice has already been paid, a compensation of up to € 2,000 will be paid. Open bills up to € 2,000, - can also be paid directly to the publisher via the publication fund.

The funding works on "first come - first served" basis. There is no legal claim to this promotion. If the financial resources of the publication fund of the Medical University of Innsbruck are exhausted, no further funding is possible.

Submission only online:
