New call “European Green Deal” also contains health-related topics

On September 22nd, the European Commission published one of the last Horizon 2020 calls for the “European Green Deal”. The call encompasses ten areas, including one with health relevance: "Zero-pollution, toxic free environment", which has two topics published:

- Innovative, systemic zero-pollution solutions to protect health, environment and natural resources from persistent and mobile chemicals (LC-GD-8-1-2020)
- Fostering regulatory science to address combined exposures to industrial chemicals and pharmaceuticals: from science to evidence-based policies (LC-GD-8-2-2020)

The deadline for submission is January 26, 2021.

You can find more information on the call page:
